

Model: DVR8ENT3

Watchguard 8 Channel Standalone Digital Video Recorder

Monitor (LCDLG23W) Optional, not included.

The Watchguard™ DVR8ENT3 is the latest standalone analogue DVR, ideal for home, office and small business. It can record at D1 resolution (704 x 576) at 12fps and CIF (352 x 288) at 25fps (real-time). The DVR8ENT3 can also be customised to automatically record over old footage, monitored over a windows PC network or viewed remotely over the Internet. The DVR supports viewing on your smartphone via surveillance apps for iOS, Android and more. Comes with infrared remote control.

The DVR8ENT3 now supports Push Video notifications, allowing you to receive alarm and motion alerts on your smartphone over the internet - stay in the loop no matter where you are!

Don't wait for Email or SMS Alerts - Get Instant Notifications with Push Video
