

# 8 Camera DVR Kit with 1TB Hard Drive and Push Video Technology

The DVR can record at each camera at D1 resolution (704 x 576) in real-time (12 fps). You can adjust the recorder settings for both image quality and frame rate, and when the HDD is full, you can set the DVR to automatically record over the oldest footage. If connected to a windows PC network, footage can be viewed over the network using the included software. If the network has a high-speed Internet connection, footage can also be viewed remotely over the Internet. The software also enables footage to be backed up / archived from the DVR to a PC allowing storage on another HDD or burning to a DVD or CD.

The DVR8ENTPACK3 now supports Push Video notifications, allowing you to receive alarm and motion alerts on your smartphone over the internet, stay in the loop no matter where you are!

#### Don't wait for Email or SMS Alerts - Get Instant Notifications with Push Video

### **Package Contents**

The DVR8ENTPACK3 is a complete 8 channel surveillance package. The kit includes:

## 1 x 8 Channel H.264 Stand Alone Digital Video Recorder With Push Video, Network Functionality, Remote Access & 1TB Hard Drive

- Advanced H.264 video compression technology
- Multiplex operation
- Long recording duration
- Intelligent video motion detection recording
- Remote network surveillance & backup functions
- Easy to operate like a VCR with buttons for play, record, FF, RW, pause, search, etc
- System auto recovery after power loss (blackout)
- Watermark function ensures authentication of the recorded images \* Supports TCP/IP, PPPoE, DHCP and DDNS network connection

#### 4 x Weatherproof Infrared Bullet Cameras

- High Quality CCD image sensor for superior picture quality
- 650 TVL Resolution
- 15m infrared range for viewing in complete darkness
- Compact and weatherproof design (IP66) for use indoors and outdoors

#### 4 x Weatherproof Infrared Dome Cameras

- High Quality CCD image sensor for superior picture quality
- 650 TVL Resolution
- 15m infrared range for viewing in complete darkness
- Compact and weatherproof design (IP66) for use indoors and outdoors

#### 1 x Monitor Connection Cable

- Allows you to connect the BNC monitor output from the DVR to the RCA video input on your TV / VCR

#### 1 x Network Cable (Optional Use)

- Allows you to connect the LAN port on the DVR to your PC or network to facilitate remote viewing or backup functions

#### 2 x Power Split Cable

- Allows you to connect 8 Cameras to 1 power supply

#### 8 x Camera Connection Cables

- Combined DC power and video leads pre-terminated
- Allowing simple plug-in connection (no tools required)
- 2 x 10m, 2x 20m, 4 x 30m Leads Supplied

#### 2 x Switch Mode Low Voltage Power Supplies

- 1 x 3Amp 12VDC supply for use with the power split cable to power all cameras
- 1 x 2Amp 19VDC power supply for use with the DVR Advanced Switch Mode Technology

#### 4 x High-Vis UV Resistant Window Warning Stickers
