4 Port 10/100 PCI Ethernet Switch Card

The VS4PORTESWITCHCARD adds 4 10/100 Mbps Ethernet ports to your PC or Server through a single PCI slot.

It's lightweight and compact design means it can be easily integrated into any desktop PC. The functionality of the card makes it suitable for applications in home networks and small to medium sized offices.

The features of the PCI Switch card are:

- 4 x 10/100Mbps Ethernet Ports
- Supports Full Duplex and Half Duplex transfer modes
- LED indicators for monitoring power, link and activity

Specifications	Value
