

PROFESSIONAL INDOOR / OUTDOOR REPLICA INFRARED CCTV CAMERA

Installation Manual

Model: VSCD50F

www.watchguardalarms.com.au

RoHS

N517

Before commencing installation, please ensure you have all the parts listed below:

1 x Weatherproof Replica Infrared Camera with housing

2x Warning Stickers

Installation Hardware For Mounting Wall Bracket

Note: To reduce the risk of vandalism or interference with the product, choose a location which is not easily accessible from the ground (above 3m typical).

LED Light Operation (Optional):

Battery Installation: (Requires 2 x AA batteries – Not included)

Step 1.

To access the battery compartment simply slide the weather shield from the top of the camera and remove.

Step 2.

Remove the internal battery cover and insert 2 x AA batteries.

Check Operation: The red LED light located at the front of the camera will begin flashing every 6 seconds.

Step 3.

Replace the battery cover and slide the weather shield back on to the camera. Now simply mount the camera in a suitable location using the supplied installation hardware and adjust camera angle as required.

WARRANTY CARD

This product is guaranteed against faulty materials and workmanship for a period of twelve months from the date of purchase. This warranty becomes void if the product has been tampered with, damaged by accident, damaged in any other way by improper use or has been purchased second hand. All production orders have quality inspections.

*For any customer query or in the unlikely event of a product failure,
