

## 8 Zone Alarm Panel & LCD Keypad Expandable to 16 Monitored Zones

The WGAP816 is a versatile, microprocessor-based, fully featured 8/16 Zone alarm panel, which has two partitions. The alarm panel provides immediate notification of burglary, fire, medical & panic conditions. There is a dedicated panic zone, monitored siren output, auxiliary power outputs and five (expandable to seven) programmable outputs that may be programmed to perform various trigger/switching functions.

### Product Features:

- Eight programmable, end of line supervised zone inputs
- 2 Partitions
- Five programmable outputs on alarm panel. Expandable to seven when using Wired Zone Expander module
- Programmable loop response time
- Auto arm/disarm capability per partition and by day of the week. The panel can be programmed to arm/disarm at a pre-determined time
- Optional tamper reporting per zone using double end of line resistors (12k and 4k7)
- Fully programmable digital telephone communicator that supports most industry standard formats.
- Non volatile EEPROM memory retains all program and event log data in the event of a total power failure
- Excellent protection against lighting (provided by specialist "zap tracking" and transient suppressors)
- Fax defeat/answering machine override
- Dual reporting provides for duplicated reporting to two independent central base stations
- 3 quick arm modes
  - Away
  - Stay with no exit delay
  - Stay with exit delay
- 32 user codes
- Dynamic battery self test
- Low battery cut out circuit
- 500 event log
- False alarm reduction features

## OPTIONAL 8 Zone Expander

Model: WGAPEXPAND

- 8 wired, end-of-line supervised zone inputs
- Optional tamper per zone using double end-of-line resistors
- Programmable loop response time
- Dedicated box tamper input
- Excellent protection against lightning (provided by specialist "Zap Tracking" and transient suppressors)
- Expander supply voltage monitoring

WGAP816KIT

## 8 Zone Hardwired Alarm Kit for COMPLETE Home/Commercial Building protection

If you're looking for complete home or commercial building protection, you **NEED** one of the Watchguard™ Complete Hardwired Alarm Systems. Available in both an 8 zone panel and a 16 zone panel, each kit also contains an internal and external siren, motion sensors, reed switches, emergency panic button and all necessary power supplies and cabling. These detectors and sirens help protect **ALL** areas of your home or building by performing functions such as monitoring rooms and offices for movement, and detecting when doors or windows are opened. This gives you greater peace of mind that your building is secured against thieves, burglars and vandals.

1 x 8 Zone Alarm Control Panel with LCD Keypad

1 x Outdoor Siren/Strobe

3 x High Quality PIR Sensors

1 x Indoor "Top Hat" Piezo Siren

4 x Surface Reed Switches for Doors or Windows

1 x Emergency Panic Button

1 x 7Ah Lead Acid Backup Battery  
1 x 100M of 4 Core Alarm Cable  
1 x 16VAC Power Supply
